

December 31, 2025

Dear beloved brothers and sisters,

As we welcome the new year, 2026, the faces of each one of you naturally come to my heart. No matter where you are or what circumstances you may be in, we are one family who has walked together, looking toward Heaven with the same heart. That is why I wish to share this New Year's greeting with you with sincere love and gratitude.

The past year has not been an easy one, yet we were able to stand again without falling apart because we lived within the love of our Heavenly Parent and within the embrace of the True Parents, supporting and relying on one another. I truly feel that every prayer and offering of devotion made by our members has never been in vain.

Tong-Il Moo-Do is not merely a sport or an organization to me. It is a living expression of our faith, a path we practice together in daily life, and a precious mission to raise the next generation. Through training the body, correcting the heart, overcoming oneself, and living for the sake of others, this path continues to guide us forward. I am deeply grateful to be walking this road together with you.

In 2026 as well, I sincerely ask for your warm hearts, prayers, and cooperation so that Tong-Il Moo-Do may bring hope and comfort to many people and serve as a meaningful channel to share the values of our faith. Even small gestures of interest, encouragement, and prayer offered from where you are become the most precious devotion before Heaven.

May this new year be filled with peace and joy in each of your families, and may comfort and blessings be returned to you abundantly for all the devotion and effort you have given. Let us continue to love one another more deeply and become even more united in 2026, centered on our Heavenly Parent and the True Parents.

Happy New Year.

With heartfelt gratitude and love.
