

Founder's Message of Tong-Il Moo-Do Dr. Joon Ho Seuk

Dear beloved members of the Tong-Il Moo-Do family, As we welcome the new year, I would like to share my heart with you from the position of the founder. Tong-Il Moo-Do did not begin merely from human ideas or enthusiasm. It was established in accordance with the command of the True Parents, as a path to put into practice on this earth and the will of our Heavenly Parent.

From its very beginning until today, this path has continued only because of the profound love and guidance of our Heavenly Parent and the True Parents, who have labored first in places unseen. Before their precious devotion and sacrifice, I bow my head once again in deep gratitude as the founder.

For the past 46 years, centered on the heart and direction of the True Parents, I have led Tong-Il Moo-Do while passing through countless trials and hardships. There were times when the path ahead seemed completely unclear, and times when I stood amid severe circumstances and misunderstanding. Yet in every single moment, the hands of our Heavenly Parent and the True Parents were with us, and through their guidance, Tong-Il Moo-Do has been able to lay the global foundation it stands upon today.

In particular, the past year was by no means an easy time for the Unification Movement as a whole. Amid internal and external challenges and various limitations, our faith and determination were tested. Even so, under the protection of our Heavenly Parent and the True Parents, we did not waver. Rather, we were able to stand even more firmly and to take deeper root in the original purpose of Tong-Il Moo-Do.

What fills me with the deepest gratitude is that, even in the midst of such difficulties, Tong-Il Moo-Do has been flourishing with remarkable vitality in many parts of the world. Across continents, nations, and cultures, this precious growth has been made possible because members and leaders everywhere have faithfully protected and upheld Tong-Il Moo-Do in their own places.

To the leaders throughout the world who have supported Tong-Il Moo-Do both spiritually and materially over these many years, I offer my heartfelt thanks with the full sincerity of a founder. Each act of devotion, each sacrifice, and every unseen effort you have made has built the Tong-Il Moo-Do we see today.

The 40-Day Tong-Il Moo-Do Training, to be held from February 1 to March 13, will be a most precious and significant period to once again stand the roots of Tong-Il Moo-Do upright before Heaven and to set the direction for the year 2026. Through this training, I sincerely hope that 2026 will be recorded in our history as a year of remarkable growth and

advancement for Tong-Il Moo-Do. For this purpose, I humbly ask for your deeper devotion, prayers, and unity of heart. Even one quiet prayer, even one unspoken offering of sincerity, becomes the greatest strength before Heaven.

As we enter this new year, I pray that the peace of our Heavenly Parent and the guidance of the True Parents will always be with you in your lives and in your training. With the hope that the original spirit of Tong-Il Moo-Do will be preserved to the very end, I offer this New Year's message with gratitude.

Thank you always.

Dr. Chung Sik Yong

Dear beloved brothers and sisters,

As we welcome the new year, 2026, the faces of each one of you naturally come to my heart. No matter where you are or what circumstances you may be in, we are one family who has walked together, looking toward Heaven with the same heart. That is why I wish to share this New Year's greeting with you with sincere love and gratitude.

The past year has not been an easy one, yet we were able to stand again without falling apart because we lived within the love of our Heavenly Parent and within the embrace of the True Parents, supporting and relying on one another. I truly feel that every prayer and offering of devotion made by our members has never been in vain.

Tong-Il Moo-Do is not merely a sport or an organization to me. It is a living expression of our faith, a path we practice together in daily life, and a precious mission to raise the next generation. Through training the body, correcting the heart, overcoming oneself, and living for the sake of others, this path continues to guide us forward. I am deeply grateful to be walking this road together with you.

In 2026 as well, I sincerely ask for your warm hearts, prayers, and cooperation to bring your participants to the 1st 40-Days Tong-Il Moo-Do International Training Course which will commence on February 1, 2026 to March 13, 2026 which will be held in Cheongpyeong, South Korea so that Tong-Il Moo-Do may bring hope and comfort to many people and serve as a meaningful channel to share the values of our martial arts advocacy. Even small gestures of interest, encouragement, and prayer offered from where you are become the most precious devotion before Heaven.

May this new year be filled with peace and joy in each of your families, and may comfort and blessings be returned to you abundantly for all the devotion and effort you have given. Let us continue to love one another more deeply and become even more united in 2026, centered on our Heavenly Parent and the True Parents.

Happy New Year.

With heartfelt gratitude and love.
